ANNUAL REPORT & SLATE OF NOMINEES November 14, 2018

Great News: RBRCO has doubled the value of its public benefit compared to last year.

As many of you know, Rose Bowl Riders Charitable Organization (RBRCO) is the charitable arm (501c3) of RBR and was formed to provide the public benefit required by Pasadena for users of city-owned public land. The *value* of public benefit offered will be a primary factor in determining the most qualified operator for our equestrian facility when the time comes for RBR to apply to be that operator.

The *value* of RBRCO's programs, measured in volunteer hours as well as dollars and cents, totals \$23,000 year-to-date – *TWICE* what we accomplished last year.

How has RBRCO doubled its impact?

Horsemanship 101 is running weekly thanks to trainers Michael Larsen and Katie Niles.

Art of the Horse has expanded to include 3rd grade classes that are studying animal social behavior. Between October and Christmas this year, 8 classes will have come for this wonderful morning field trip and more are scheduled for January/February.

A Day at the Barn is a new program providing a much needed respite for families living at Ronald McDonald House. Modeled after Art of the Horse, children and their parents tour the barn, make art with Phyllis Ginter and her helpers, and watch all the fun activity around RBR.

Please consider donating to RBRCO. The demand is outpacing the resources and we want to keep all this good outreach going!
Donations via Paypal on the RBR wild apricot website OR directly via the PO Box above.
Thank you!!
Every dollar makes a difference.

Financials year-to-date as of September 30, 2018:
